Compatible Products	Enviro Prime P2 Enviro Prime PW Enviro Prime SB Enviroseal SB Enviro Epoxy B-NS Enviro Epoxy EF Enviro Epoxy RC Enviro Ultra Tuff Enviro Epoxy Grout 100 Enviro Flex PU FL

PHYSICAL PROPERTIES

Refer to the Safety Data Sheet.

APPLICATION

Use Enviro Thinner No. 7 only as directed in the data sheet of the product being thinned or cleaned. Take care when opening drums and release any internal pressure slowly.

For applications or situations not covered above, contact EnviroSystems technical support.

LIMITATIONS

- Use only with the EnviroSystems products listed, as directed in their data sheets.
- Release internal pressure carefully when opening drums.

HEALTH & SAFETY ADVICE

Enviro Thinner No. 7 is flammable. Keep away from naked flame; in the event of fire, extinguish with CO₂. Provide adequate ventilation and wear PPE during use. Avoid breathing vapours and skin contact. If swallowed, DO NOT induce vomiting; give a glass of water and seek medical assistance. Wash skin with soap and water; if irritation occurs, seek medical advice. Refer to the Safety Data Sheet for full safety and handling procedures.

KEEP OUT OF REACH OF CHILDREN

STATEMENT OF RESPONSIBILITY

The technical information and application advice given in this publication is based on the present state of our best knowledge. As the information herein is of a general nature, no assumption can be made as to a product's suitability for a particular use or application and no warranty as to accuracy, reliability, or completeness either expressed or implied is given other than those required by Commonwealth or State Legislation. The owner, his representative or the contractor is responsible for checking the suitability of products for their intended use.

NOTE: Field service where provided does not constitute supervisory responsibility. Suggestions made by EnviroSystems, either verbally or in writing may be followed, modified, or rejected by the owner, engineer, or contractor since they, and not EnviroSystems, are responsible for carrying out procedures appropriate to a specific project.

NOTE: All products manufactured by EnviroSystems comply with the description and properties indicated in the technical data sheet that was current at the date of manufacture.
